Woodend Bowling and Lawn Tennis Club,

Please note that Club rules require that members renew their membership by 30 April. No member can represent the club in team competitions if their subscription is outstanding.

NEW APPROACH TO MEMBERSHIP CARDS

In order to reduce the administration associated with membership renewals, we are taking a new approach to membership cards.

Members should retain their existing membership card. Do not dispose of it. If you did not collect your membership card when you renewed in 2017, it will still be waiting behind the bar – please collect it.

Once you have renewed your membership for 2018, members should visit the bar where the bar staff will issue them with a “2018” sticker, which they can stick on their membership card.

DOOR FOBS

If you do not intend to renew your membership and you currently have a fob please return it to the clubhouse in an envelope marked for the attention of the Membership Secretary who will arrange for a refund of the deposit you paid to get the fob

If you have any queries, contact David Foster, Membership Secretary, at davidagfoster66@gmail.com
