

Woodend Bowling & Lawn Tennis Club

Proposed Membership Fees for 2024/5

* 5% uplift in line with inflationary increases.

** new category proposed to encourage youngsters to play over the summer months.

*** £25 has been the Social membership fee for 2 years now. It was intended as an incentive and suggested due to increased bar overheads and increased event access this now rises.

**** this is where we have been losing members in the last 1-2 years. A reduction in subs will hopefully encourage more minis and juniors to join. In addition, we will also be moving to a model from August 2024 where all those attending coaching are required to become members. Hence there will no longer be a member/non-member rate for coaching.

Membership Category	2023/24 Fee	2024/25 Fee
